WORK②  
TURNING POINT

Tamaiko san. ?

Ah, you are awake.

Yes... I did enjoy you sleep,  
but what about your legs ?

Tamaiko, you were  
really enjoying your  
nap - so I couldn't wake  
you up.

I, I am  
sorry !

Ah, that looks  
so relaxing —

Hehe... so  
that this was it ?

Shall we go ?

It's alright  
I am used to it.

Yes.

Yes, I lost  
sight of  
all other  
very much.

Atsuhiko? I  
said  
that was  
amazing.

For my own  
right view of  
Hatsuhiko, but  
that can't be bad  
either.

Mr. Tan,  
it's very  
amazing!

Yes,  
it is.

What a  
nice view.

Nothing  
is said in  
remains,  
is it...

What's  
wrong?

Even so,  
too much.  
My legs are  
standing in  
water here  
and...

By the way,  
sitting in a fixed  
position with an  
adult's hand on my

Back:  
It hurts!  
Excuse!

If I continue  
to lose more,  
even he  
would fail...

Hahaha...  
I've created  
the perfect  
man!

Why do you look  
so happy while  
talking about her?

When we were  
university students,  
we rented a car  
and used them.

She has nothing  
to do with  
this situation.

Well...

Isn't she an  
old-fashioned?  
Don't you  
feel lonely  
at all?

Come to think of it,  
My girlfriend liked  
the name of Hatsuhiko  
as well.

Ah ...

Nothing will work  
better than liking  
them.

Perhaps ...  
I have been  
being a little  
stubborn ...

I see  
he thinks this is  
only natural.  
Yes, if it is only  
natural like that ...

I like them very much,  
in uniforms and  
sports ...

Alright,  
I am going  
to tell him.

This is a very  
rare chance ...

I am going to  
tell him that  
I like him ...

This is not the time  
and place to have  
such thoughts.  
Think about what  
I've gone through to  
make this choice.

What, what  
am I thinking  
about?

I am here to  
confirm my feelings  
to him ...  
He can really run  
around ...

I like you,  
Tsuneko san.

That was my  
line... Ah...!

Eh... what...  
what?

Tell him that  
you love him.

Tell him that  
I love him as  
a man.

I mean, have to,  
tell him!

He wants  
to like me  
as a character,  
not as a  
person. I

What am I  
doing? I  
don't know.

Why am I  
getting worried?

Ah...

*Good night.*

*Good night.*

*I could not tell him ...*

*I do have ...*

*All that pain ...  
as terrible something, the practice,  
was created inside of me ...*

*Yagami told me that he thought  
me more of the old evil master he  
knew me as a prisoner.*

*Once he thought  
about it ...  
For some  
time, indeed.*

*I was afraid.  
That was why  
I could not  
tell him.*

*And, if I am rejected  
in such a condition ...*

*It was always  
about me.*

*I was in control,  
so I was not  
afraid ...*

I cannot believe  
how hard it would  
be to deal with  
people ...

I don't think of her  
it won't take to love  
something precious ...

No, it's not that.  
It's about *Mamori*  
one of Haruhiko's  
department store.  
You are in charge  
of that store.

Ah, is it nine and  
half already?  
I am sorry. I will  
go out now.

Take a look at this.

What about  
that ...?

Yes?

When a woman

Can you hear

Oh, tell me

Hehehe, you

# WORKO BAD COMMUNICATION

But, as soon as you become  
an agent, her sales growth  
have gone down very far  
significantly !  
Your job is to find out  
why and correct !

She was W&F for  
this and last year  
of constant success !

In other words, if she doesn't do well, it won't be only her fault. You will take responsibility for her failure as well.

Yes.

Or whatever is necessary to keep their moral and moral up.

It is important to keep track of agent's word in department stores.

What is it?

Actually, I have a question about that ...

Even if they do their best, we will still lose to specialized stores.

Specialized stores like that.

Yes.

You've been doing this without knowing that?

Specialized stores are generally much smaller, yet they can lower their prices with ease of paying for returns. Why are department stores losing to them?

I have been keeping  
my eyes on her for  
a long time.

It is not.  
I am sure  
you have her  
data as well.

Yes? That's  
too sudden...

For both Light and  
me, it will be good to  
release her from her  
status which she never  
loved.

But she is no  
longer as good  
as she used to be.

The previous agent manager,  
Judge was, but her he knew  
she was doing good.

You are not kind.

She currently... yes, but she used to be  
for her very good  
reasons...

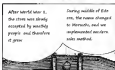

"Nakagawa"  
was the name  
of the store  
at the time.

中川屋

History  
of Morioka  
goes back to  
this era.

Pardon ?

After World War II,  
the store was slowly  
accepted by nearby  
people, and therefore  
it grew.

During middle of this  
era, the name changed  
to Morioka, and we  
implemented modern  
sales method.

Morioka had to change  
its methods once we had  
to deal with middle class  
people. It was completely  
new area for us.

Time changed  
was more  
and middle  
class people  
became the  
main buyers.

At that time  
goods were sold  
even if we did  
nothing...

What did  
he say ?

He  
said...

The former  
president,  
Nakagawa, can  
never be  
himself that -

We had to change that

Before that, Maruichi made deals with only high class people.

We became  
closer to  
the reality

We changed our  
expensive goals  
to more affordable  
and more used  
common items.

We made our  
dream a place  
to call  
"home"

And we  
became  
their dream.

So, at some  
point, I graduated from  
high school. I ...

I was one of those  
who could go on  
because of the  
school

Yes, it was  
originally  
about their  
goals.

I never, for some  
reason, gotten  
off track.

You don't  
at school

Oh,  
for women  
you

His class  
wants to  
recall the  
old days...

I haven't  
thought  
about it for  
a long time.

The order  
of that  
celebration

Is he trying to  
get in every  
possible way?

Maybe, he is an  
agent from a  
bank. Let's see  
whether...

I see  
I will be  
there.

The chief?

I am not going to let  
anyone else  
do this!

And replace them  
with more luxurious  
sports cars such  
as Ferraris and golf

We will rescue  
common people  
more often.

I announced the result  
of about seven hours  
talking about luxury.  
As a first step ...  
it will  
first begin at  
Maruoka.

That has been  
already discussed  
by Maruoka and  
other leaders

WORKS  
**Ready Steady Go!**

*And replace them  
with Tennis and  
Golf related items !*

*We will remove the  
current sportswares !*

After we have a solid  
result, we will do this  
in other department  
stores.

We will start  
that at Maruichi  
first. That will  
be a test run.

Of course, the decision  
has been approved by  
Lighter Maruichi, and  
other brand companies.

Yes, we will need top agents  
for high quality shoes and  
Golf sportswear sections.

Yes, is that  
the big change  
you mentioned  
recently -

Therefore...

Furthermore, we will  
deploy specialists to  
give proper advice.

*Only agents with good records and loyalty will remain with us.*

*We will open the new color plates in 2 weeks.*

*We don't have weeks for this material.*

Hinata ~

affect more than  
just Tamahe san

Well, I asked my  
girlfriend about it  
She told me it was  
likely the case.

And this  
dude has a  
girl ?

Wellman can't  
be another  
misplaced

this...

What ?

It may not be  
our last call

Tell her that  
you love her

There is one way  
to place her back  
on the track.

Even if ultimately you'd be  
lying to her, if that makes  
her get back on track,  
both of you will benefit  
from the lie, no ?

You  
must...

Both of you will  
be happy that  
way

And make her  
work better

So, give her  
the wrong  
words

Is this ?

If I were you,  
I would do  
that.

Is that happiness  
you'd be willing to  
accept?

Is that  
happiness?

You may  
not be happy  
with the  
whole idea.

That

Back to their

we will display as many

As long as you  
make the decision!

You may have  
a point, but in  
the current  
situation, that  
is not ...

No

Yes?

Not ...  
possible

What?

We don't need  
any kind of  
storage.

No.

Lottery, even  
storage fee  
has been in-  
real ...

Our floor is  
storage!

We will use ...

No way!

In other words,  
the first goods will act  
as a natural display  
for customers to see.  
Customers will simply  
grab what they want  
from the flow of goods.

We will  
simply fix  
up goods  
in floor!

What ...?

A long time ago,  
the store used to deal  
with only those who  
were visiting

Sir, you've told  
me this before

became a true  
department store

And that the  
store changed  
its tradition  
in order to -

"Tradition" are not  
important

Yes ?  
That's why  
I am trying  
to keep its  
tradition  
alive !

Isn't that  
why you  
came to  
work here ?

Change to turn back  
an old tradition and  
not run away from  
their customers  
If you do nothing now  
and let the sportsware  
store turn into  
specialized stores

Mind and attitude  
of those who are  
carrying on  
traditions are  
important

As long as you stay  
true, your future  
will be guaranteed  
and stable !  
telling me everything ?

telling me you  
trying to change  
your colors ?

The work  
for a wage  
employment!  
You are no  
able to clear  
business  
depression !

why ?

All they  
care about  
is results  
we will  
not fail

The manual plan  
has been satisfied  
already  
if we push this  
idea and fail,  
you and I ...  
both of us will  
be punished.

but, if these points are  
growth point ...

yes, sharing  
secret will  
likely create  
good

You have no  
authority to do this.

Excuse me  
now  
I am going  
to meet the  
suppliers.

Stop!

I feel as if I've been  
overlooked.

Leave that to me.

It is too heavy for you  
to carry alone.

You  
must...

Sure!

What needs to be  
in the future may  
be hell.

Hell...

# WORK® 二人の夏

*Two people's summer*

So, you brought  
a superb helper!

Ah, I was  
told that you  
need more  
people

What brings  
you here  
today?

Ah... ah?

Where?

.....  
.....  
.....

I am sorry...  
but it's a little  
big!

But...

What are  
you looking  
for?

"Yeah...  
wala to magpatigay..."

"Lito,  
wala to magpatigay."

"Yes, it was  
to make the  
store a true  
department  
store."

"It looks more like  
a storage rather  
than a store."

"This place  
is amazing."

"Ah...  
I got it!"

"A hundred goods?...  
Essentially a lot, a lot  
goods in order to  
respond to customers/  
buyer and demands."

"Yes, if they  
have that many  
stuff in a place,  
I wouldn't have  
to waste my  
time."

"I thought a supermarket  
a while ago  
I had to visit a few  
places to find what  
I wanted."

"Ah..."

"— Yes—the man who  
suggested this idea  
and the same thing  
exactly."

The downside is that  
we cannot leave what  
is where quickly.

We turned our stores  
into a big open place,  
so we could place a lot  
of goods.

The man who suggested  
this type of store also  
suggested this  
communication method  
as well.

We can know where  
what is.  
Obviously, everyone is  
lost as here.

Shi-  
kakeba

"Doesn't it look  
also cool?"

It may look strange,  
but it does work really,  
and it works as an  
indicator for customers  
to find staff members.

Secure one!

The guy seemed to  
be a pretty unique  
guy  
Or a very friendly  
simple guy

From what you've  
told me .

Even the simplest plans  
are sometimes  
very hard to  
execute !

Watch what you say  
if you don't know  
what you are talking  
about fully !

Yes,  
I didn't  
mean it  
that  
way .

I am sorry  
I didn't mean  
to embarrass  
the guy

Oh..

I, I am  
sorry !

Ah ..

I kind of started to  
rethink the guy with  
the one I love

It was just that I found  
someone really like him ..

That is not as  
I believe their  
primary issue  
for the future  
was a failure  
to bring in  
enough goods

through.  
They may have lots of customers now,  
but they are simply cornered. That is all  
historically speaking. This type of  
store has all failed.

It's about my  
reputation. I

Close  
in.

Excuse  
me

What  
is it?

Perhaps  
this one  
you are?

Excuse  
me, what  
is that?

I believe I know  
what I am  
talking about  
here

Manager Ichika,  
how can I find  
the girl from  
what Yoji is  
talking

のところに  
いますかあ……

What, isn't her  
name Minori  
Tanaka?

You heard  
of that  
name  
before

I have to  
apologize  
to her  
someday

There she is ...  
I feel so sorry  
that I wish  
her right  
like this ...

Ah ...

She must be  
the one Yoji  
was talking  
about!

What the  
hell is  
going on?

Minori  
Tanaka  
is  
the  
one  
I  
was  
talking  
about!

あ、

This is not working  
I cannot understand  
what are the true  
codes at all, not at all

Hmmm

Hehe ...  
I am an expert when  
it comes to relationships !  
[ 4 years with Yip ]  
I will help you !

I guess I will go  
back to Parsons  
and find them  
a hand.

Okay ...  
I visited all  
suppliers...

Meanwhile :

Please! see,  
you are feeling a  
little.

WORKING 戦いの火蓋

Oh, no...  
I wasn't too strong.

...  
FIGHT

Oh, wait!  
Please!

I am doing  
this for Ygg  
after all...

Well, I guess  
that is one  
of the  
fundamental  
rules...

There is  
no time  
for...

I was worrying  
about my work!  
Then, what?!

Ah,  
I heard that too.

I was told  
that a  
helpful  
helper is  
here?

You know  
what  
though?

Ah, I heard from  
Yugi too...

It is getting  
crowded in  
the after -  
noon.

Oh, thank you.  
Mitsunori-san.

Yamada  
san,  
I will  
take over

I heard that she is  
actually Yugi's  
girlfriend.

Her presence  
didn't go to waste  
even as a  
child...

And...

Right - I  
also haven't  
bought a  
cottonest for  
10 years!

The one who's  
not fond of  
her body style!

is...

Ah...  
I recall

Have you  
forgotten, Y?  
He was talking  
about her in  
the manager's  
room...

Ah? Ah...

manager?

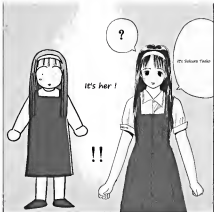

*I feel sort of angry but I also feel worried at the same time...*

*This is a very weird situation...*

Um, I feel sorry about  
what happened this  
even., so I was just  
trying to be helpful ...

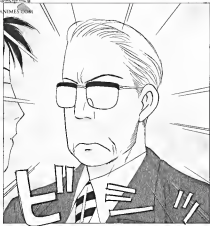

What the hell  
are you talking  
about ?

What is your fortune  
level with the one you  
love ?

She is trusting ...

She has absolutely no doubt about Taji and  
their relationship ...

WORK⑤ ジェラシー ( Jealousy )

You can  
count on  
me!

I don't have any  
experience with  
affairs ...

— Not  
good ...

But the ending  
might be  
different ...

It seems I don't  
understand from  
dramas I've  
watched ...

I watched a TV  
program recently  
which was about  
young women  
going out with  
much older men  
only for money ...

That's ...

は、  
？  
！！

Anyway ... Tokyo  
people are indeed  
different ...

I'd have never  
thought that ...

As for her ...  
her face has still some  
of her innocence left ...

Well, her breasts  
are much, much  
bigger than mine.

And her legs ...  
just none to  
its desired theme.

Why ... is she  
looking off over  
there?

We wonder  
man, full for  
her

Yeah, she  
is an  
"Idealist"  
"Goddess" ...

Though I can't see how he could  
like her as a woman,  
but then... I can tell somehow that  
she really love ...

Anyway, in this  
is the love I type

Her face looks more  
like a doll's ...

Almost no freckles ...

Her lips ... a good  
type for many babies.

Well, she  
does look  
cute, but  
I don't think  
she's smart  
enough.

Yep

She is ...  
Mature Tinker...

I remember her  
reaction ...

I will have to go along with  
her to see what kind of  
advice she could possibly give  
me...

WHAAAAAT ?!

They used not together  
like good friends earlier

Oh ?  
That was your  
girlfriend ?  
Wow, it might  
not be good  
then.

Oh, Kiyomasa was  
it seems my girl-  
friend is getting  
along well with  
Akuma san...

Don't worry.  
They were  
talking at  
each other

Something  
happened ?  
Why did you  
say nothing  
happened ?

No way

That almost got into  
world ...  
Nothing is worse than  
a slightly troubling situation...

I had a fight in the  
changing room.

Yes?

Mr.  
Masaki  
Sir...

Now --,  
how should I tell her?  
Well, I won't tell her  
right now. Let me see  
how this goes.

And I haven't talked  
much to other people  
recently...  
I shouldn't have talked  
to her in the first place.

I am not --  
comfortable with  
her...  
Come to think of  
it, I am shy.

Ha - ?

He looks innocent.

But  
he is  
a...

And his  
slimy glass  
feels soft  
like gold.

Like a soft  
choking  
chut...

His body swarmed  
and... swarms...  
and...

Ah...  
Ah...

Mr. I realize...  
...incredible... ?

Yes, but harder  
than starting early.

Of course, slimy people  
tend to go to bed early.

How did  
she get to  
such a  
conclusion?

Ah...

He is  
such a  
great at  
night.

And he works for Lighton ?

Face is generally clean  
and hair is short

Height is average,  
and he is more of  
a sportsman.

Age 23

God damn it !

Most of times, he is  
late, and his face is  
completely free of  
concerns !

That  
cousin  
is the  
guy !!

Sounds  
very  
similar to  
someone  
I know

He graduated from Sapporo university  
and he is from Hokkaido !

And he used to be an athlete in  
his highschool !

And his eyes  
are then like ...  
this!

Good...  
at last.

Then ...

You got it now?  
That's the guy  
I like

Top!

*If he really does love you,  
why would he have left you  
and come to Tokyo?*

*You want every  
place marked  
you could go...*

*He does*

*King, how  
did he go?*

*That means... what?*

*They don't seem to  
be here, and that  
means...*

*Now... can you draw  
a clear conclusion?*

*They are likely having  
a meal together*

You should have said  
that before what you  
said.

6

Well, I realized a moment  
ago that my girlfriend  
doesn't doubt that's why

In other  
words, he ...

Why are  
I spreading  
in such a  
manner?

But the truth is  
that he chose work  
over you.

Why are I  
doing that?  
Because...  
I love her?

What is...  
going to  
with me?

I am sorry.  
It must be  
hard for  
you.

Yes.

Ah...

But it is whispering to  
me ...

It's an ugly side of me  
which I don't want to  
look at even ...

A part of me... a dark part of  
me that has been hiding deep  
inside of me is starting to emerge

This ...  
THIS is ...

Perhaps you mean  
nothing to me.

*Jealousy ...*

It may be easier  
to break up with  
him.  
Does it *you* think?

Although it  
may be  
proud at  
first ...

If you can't see  
him at all ...  
perhaps ...

You may have to do,  
but perhaps it is easier  
to tell him that you don't  
need him anymore."

But, if you  
think about  
it... if he  
truly loved...

... He  
could  
have...

If he truly  
loved you...

Even if it  
meant being a  
jerk...

Even if it'd  
just hurt  
you...

Like me!

Tell me,  
Sakura-san?

Wouldn't a rejection  
have been a better  
solution?

*if he truly cared—*

*if he truly cared  
about you —*

*Tell me,  
Sakura-san!*

*Shouldn't he  
have rejected it?*

WORK®  
**I LOVE YOU**

It sounds like a  
TV drama.

Hehehe...

SWP

That just  
because he  
said so...

It's amazing to  
see such people  
stand on reality

Oh, sorry  
that I laughed

Ah...

Maybe isn't.

Would you give  
up just like  
that?

*Good!*

*I was  
such a  
simple  
person*

*And I thought that  
I was glad he still  
liked me*

*I thought that I was  
glad I liked him*

*When I saw  
his relaxed  
smile,*

*And that I'd always  
be happy*

*I believed that his  
love would always  
be with me*

You are being  
kind and kind !  
It's a long  
distance  
relationship  
Haven't you  
ever felt lonely  
? And when  
you wanted him

He is  
using you  
as a  
bored  
bored?

I was in a different  
position !  
It's one-sided love  
for me !  
I was even told that  
he wouldn't take me !

Only natural!  
for you and  
him !  
You two are  
a couple  
after all !

He would never  
leave his couch  
at me the way  
I want !

That's ...

Are you really, really,  
singing with that ?

Of course, not !

And we fight often,  
more than we used  
to ... and I feel lonely  
a lot more often, now...

Of course, we don't  
get to see each other  
as much as we used  
to !

Yes !

It's okay  
though.

He ?

Feedback is much greater  
when I get to meet him  
finally

But as much  
as I want him

"We" as in Takeru,  
as in a future  
being a companion

He was  
smiling  
at her

He wasn't smiling  
at a girlfriend

well

Sis, I--

I think that's  
why he doesn't  
seem to be  
affected too  
much by the  
long distance  
relationship

Though I think he likes  
someone associated  
with her more than  
myself

In other words, rather than  
trying to like each other  
in a traditional way, we are  
having our own version  
of each other rather -  
independently. That's how  
we survive our long  
distance relationship,  
I think.

I am trying to enjoy  
myself who is doing  
such a person.

I ... feel

She is ...

Strong ...

Just tell him  
that you love  
him in front  
of her!

Why should you  
care now?

You too, like him.

Are you just going  
to let her leave him?

You?

Ah...

There is the  
one I like too.

Ah...

Yes...

Yes, but what  
Sakura saw?  
She is looking  
at you.

But even if it couldn't  
wait...

Let's  
meet  
them.

I can't see  
their faces.  
What are  
they talking  
about?

なんてばかな女!

Let's point at  
the guy we like  
after meeting  
it...

Very  
well...

So?  
Where is  
he?

Smiling?

They  
are ...

Yes-O

Yes

We did  
not sleep  
too.  
We did  
not end  
it clean.

O-oh

Oh

It's  
his fault

You won't  
misunderstand  
the time

Minako  
sorry about  
that

I am sorry, Yuji san ...

Three !

Ah?

I really want  
to know your  
past...

Oh...

Is that?

I... really  
want to be  
as good  
as her.

Come on,  
have fun with  
me sometimes.

What's that,  
what's going  
on?

はっ  
はっ

I do love you !

I ... love

I ... ?

Wow,  
Yagi san...

You ?

Let's do our  
best, shall we ?

Thank  
you...

*Bye Bye.*

# WORK① INTRODUCTION

On the otherhand,  
if my reform plan won't  
work out well because  
of HAKPORT, my  
reputation will be  
destroyed.

I do hate HAKPORT,  
but it is making profit,  
and it is not a good idea  
to take them down when  
it is making money.

Actually, this morning,  
I've received a request  
to make an article about  
HAKPORT from Japan national  
celebrity newspaper.

I understand that your  
reputation is important,  
but if HAKPORT stops  
and people start to accept  
its method, it will be harder  
to take it down.

well ...  
"why does he  
care so much  
for this  
"reputation" ?

See, ... it's a pretty  
powerful media.  
We can't just refuse  
their request.

So I  
refuse it.

The media is  
all about money  
after all.  
They will take  
care for money  
even.

Well, tell them that  
we won't display  
their ads anymore.  
That will shut them  
up.

Go, go,  
Tamiako!

Wait...  
This is not  
true for  
this...

Actually,  
it's not what  
you think.

Ah, what  
can I do for  
you ?

It's...

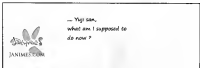

May I ask  
who is in  
charge of  
the store ?

Yes...

And he asked lots  
of questions to  
Hiroshi too, and  
wrote stuff on  
his notes.

I don't think he  
should have to  
buy any special  
tools.

That was

What should  
I do, Yui?

A spy ... ?

But what if Lighter  
calls it off?

What about him?

But ... inside ...

Indeed,  
I will!

Moreover,  
if you destroy HAZFORD,  
you will face some damages.

If I destroy it with  
my own hands,  
there will be negative  
feedback later.

Is it?

Considering that you have  
a right to cancel HAZFORD  
and announce the plan.

As you are probably  
sure, if you Lighter  
also begins this.

Lighter is not of  
major powers of  
Marsdale. If Lighter  
wishes to cancel  
HAZFORD, Marsdale  
will have no choice  
but cancel HAZFORD.
